Friday eve.

My dear sister: -

Yours of yesterday recd. at noon to-day. Sorry your trip bustled up but hope it will turn out o.k. later. Excuse me for not answering your good letter - I've been so terribly busy + no time for a note to anybody. It is now 10 o'clock. and this must be a short one. How I would like to go on such a trip but it seems I cannot even for a day. The cannery is not open this week + I shd. I'd have a chance to rest a little and maybe get away some place for a day but Helen has been to Hollywood all the time since last Sat. eve. + will come home in time to go to work in cannery Monday again.

Mr D. has resigned his mail route business + will go to desert as soon

as we can get away which may
be about Oct. 1st. Then will have
rather hard times with no income
from either place until next yr. &
plenty going out.

Our Saxon is out of order &
cannot have it repaired now so can-
not come for Table - I can get along
without it anyway & maybe some time
get it or another. Now if Helma can
come with Daddy & come out on car
let her come & I'll take good care of her
and love her as my own (for your girls
are all dear to me) and not have her
work too hard. She can take many
steps off her Auntie's and I need some
one. I'll try to give her enough plain
food including milk & maybe some-
time I can give her something but
we are very shy of "dough" these days.

Thank you for trusting your precious
girls with me - I appreciate it. Send
a few jars & we will try to fill them.
Can't you come out soon?

Much love to all Myra
